Chapter Update

Chapter Leader Conference

Wow! Here we are, spring of 2008 already! Time certainly seems to be in "Warp Speed"! SCTE's Chapter Leadership Conference (CLC) was held this year in Atlanta, GA where all chapter leaders got together and shared ideas, experiences and abilities on how to run and manage a chapter. We had a motivational speaker to start off the conference and breakout sessions which allowed us to mingle with chapter leaders we did not know. There was a Regional gathering where sister chapters were able to reach out and strategize with one another.

SCTE National Staff held classes on Finance management, Roberts Rule of Order, Chapter Compliance and other chapter related issues. The real highlight of this year's CLC is of course the Chapter Awards Dinner. This is where your hard work pays off. Chapters and individuals are recognized for their leadership in the Society. Our first award was the "**Professional Development and Certification Award**". Bend Broadband was the contributing factor in our chapter for earning this award. Thank you Bend Broadband for your dedication to certification.

The next award went to Amanda Walton for "**Chapter Member of the Year**"! Amanda has been so focused this past year in making sure the Cascade Range Chapter had all their compliance documents up to date, organizing the chapter to send a donation to a charitable cause and creating the monthly newsletter, just to name a few. It was obvious she was deserving of the award!

Way to go Amanda!

Continued below...

Last, but not least, the highest award of the night went to the Cascade Range Chapter for "**Chapter of the Year**"! This award distinguishes a chapter, its chapter leaders, and members as the Number 1 chapter in all of SCTE. This recognition is a proud moment of our leadership and things we do for our members and our mission of what the spirit of SCTE really is. Thank you all and again congratulations to the Cascade Range Chapter!

Alan Williams, Chapter President; Keith Grunberg, Region 3 Director and Amanda Walton, Chapter Secretary
